MEMORY CARE

Our nurturing environment fills residents' senses with music, laughter, family, fresh flowers, natural light, children and pets. Meals are a time to gather, connect and enjoy the simple pleasures of life. We pour our hearts and souls into creating meaningful ways for residents of The Gardens to learn, grow and connect with each other, themselves, their families and our associates through *Expressive Arts, Watermark University, Life Histories, Physical Wellness* and *Extraordinary Outings*.

What really sets our Memory Care neighborhood apart, however, are the specially trained and certified associates who work here, whom we call *Nayas*. Originating from the ancient language of Sanskrit, Naya means a guide, person of wisdom and a leader who is engaged in the present moment. We partner with the National Council of Dementia Practitioners to train our Nayas. We communicate through validation rather than correction to show understanding and support. We know that behaviors are a response to an unmet need. From this thoughtful foundation, we cultivate a sense of well-being and connection. Residents are welcome to assist Nayas with cooking, cleaning, preparing and serving home style meals, or anything else that fulfills their sense of purpose. Even residents living with memory loss can *thrive*.

Why do professionals refer so many patients to The Springs for rehabilitation? We offer outstanding services in our extraordinary, **MEDICARE-CERTIFIED** community, including physical therapy, occupational therapy, speech therapy and lymphedema therapy. For nearly a quarter century, we've been helping patients restore function, improve mobility, relieve pain and prevent or limit physical disabilities from injuries or disease.

FINANCIAL OPTIONS FOR ANY SITUATION

There is no “one size fits all” when it comes to your life and how you choose to live it. That’s why we’re making it easier than ever to live the way you want at The Fountains at Bronson Place, with two different financial plans to choose from: Rental All-Inclusive or Membership Fee All-Inclusive. The Fountains at Bronson Place has been Kalamazoo’s premier retirement community for more than 30 years. Why? Our residents value fantastic food, abundant choices and inspiring neighbors and we deliver on these promises. No matter which financial option you select, you’ll get instant relief from home maintenance hassles plus security, peace of mind and access to all the services you’ll ever need, to stay as vital and independent as you can be.

WHAT'S RIGHT FOR ME?

HOW OUR OPTIONS WORK FOR DIFFERENT PEOPLE

Rental All-Inclusive Plan

BETTY HATES COOKING.

But she loves a good meal, especially when she can enjoy it with good friends. The retired comparative literature professor enjoys sharing her passion with neighbors who join her for mini lectures. She also loves not having to rely on her children for transportation to shopping and trips to the doctor. Betty chose the straightforward **RENTAL ALL-INCLUSIVE PLAN** because she wanted to continue receiving great dividends from her investments rather than sell them in order to pay a membership fee. Even though she pays a little more per month for the rental plan, this is absolutely the right choice for Betty.

Membership Fee All-Inclusive Plan

ROBERT IS A BIG FAN OF MUSIC.

But he doesn't see well at night, so he thrives on door-to-door service to the symphony. His trusty Ford sits safely in the heated underground garage but hasn't needed a tank of gas in three months! Bob also saves a fortune on dining out every night now that two delicious meals per day are included in his plan. (His grandkids love the Pastry Chef's special lemon meringue pie.) Choosing the **MEMBERSHIP FEE ALL-INCLUSIVE PLAN** guarantees Bob a predictable cost of living at the lowest monthly rate and priority access to assistance and rehabilitation services should he ever need them. That makes his family very happy.

The background is a solid dark blue color. Overlaid on this are several light blue, semi-transparent decorative elements. These include a large, wide, sweeping arc that starts from the left edge and curves towards the right. Below this, there are more intricate, swirling lines that form a sense of movement and depth, resembling stylized waves or abstract calligraphy. The overall aesthetic is clean, modern, and professional.

Creating extraordinary and innovative communities where people **thrive**.
